Eight accessories, endless uses, fits any sink*

Breakfast with the kids or supper with friends; whatever meal is being prepared, **All-In** enables you to work in a more fluid way.

A smart, flexible system that's adaptable to any sink*, it features eight separate accessories with multiple uses.

*Up to 21 1/4"

The system explained

Compatible with most sink*,

All-In includes:

Telescopic Bridge

Featuring extendable stainless steel rails with durable handles that will adjust to fit bowls up to 21 1/4". Incorporates small feet that sit against the sink edge to ensure a stable fit.

Bamboo Chopping Board

With feet built into the underside, the bamboo board can be positioned above the sink rim, or sits securely onto the bridge's stainless steel rails.

Large Colander

Made from Sanitized material, the large colander allows you to rinse fruits and vegetables, or drain pasta over the sink. Also, works perfectly as a drain basket for cutlery and cooking utensils.

Small Colander

Made from Sanitized material pair the small colander and prep bowl in the bridge for a multi-purpose prep station. The colander is perfect for rinsing, and the bowl is ideal for collecting stems or peels.

Prep Bowl

The small bowl can be used for collecting prepared ingredients and storing them in the fridge. Equally, it can be used for collecting peelings and dealing with waste during preparation.

Bamboo Bowl Lid

Placed securely on top of the small bowl, the bamboo lid can help to keep food fresh.

Foldable Silicone Mat

Foldable for easy storage and with an inclined surface for use as a dish drying mat that channels water back into the sink. Heat resistant and can withstand pots and pans straight from the oven.

Storage Container

The soft touch storage box easily accommodates the All-In accessories in one place so that everything is easily accessible for meal prep.
